Semester III		302– Decision Science
3 Credits	LTP: 2:1:1	Compulsory Generic Core Course

Course Outcomes: On successful completion of the course the learner will be able to

CO#	COGNITIVE ABILITIES	COURSE OUTCOMES
CO302.1	REMEMBERING	DESCRIBE the concepts and models associated with Decision Science.
CO302.2	UNDERSTANDING	UNDERSTAND the different decision-making tools required to achieve optimisation in business processes.
CO302.3	UNDERSTANDING	APPLY appropriate decision-making approach and tools to be used in business environment.
CO302.4	APPLYING	ANALYSE real life situation with constraints and examine the problems using different decision-making tools
CO302.5	ANALYSING	EVALUATE the various facets of a business problem and develop problem solving ability
CO302.6	CREATING	DISCUSS & propose the various applications of decision tools in the present business scenario.

- 1. Introduction:** Importance of Decision Sciences & role of quantitative techniques in decision making.
Assignment Models: Concept, Flood's Technique/ Hungarian method, applications including restricted, multiple assignments and maximization objective. **Transportation Models:** Concept, formulation, problem types: balanced, unbalanced, restriction and maximization, Basic initial solution using North West Corner, Least Cost & VAM, Optimal solution using MODI, multiple solution case to be considered. (8+2)
- 2. Linear Programming:** Concept, Formulation & Graphical Solution. Markov Chains: Applications related to management functional areas, estimation of transition probabilities. Simulation Techniques: Monte Carlo Simulation, scope, and limitations. (7+2)
- 3. Probability:** Concept, Conditional Probability theorem-based decision making. Probability Distributions: Normal, Binomial, Poisson (Simple numerical for decision making expected). **Queuing Theory:** Concept, Single Server (M/M/1, Infinite, FIFO), Introduction of Multi Server (M/M/C, Infinite, FIFO) (Numerical on single server model expected) (8+2)
- 4. CPM & PERT:** Concept, Drawing network, identifying critical path, Network calculations- calculating EST, LST, EFT, LFT, Slack, floats & probability of project completion in case of PERT. Network crashing: Concept of project cost and its components, time and cost relationship, crashing of CPM network. (8+2)
- 5. Decision Theory:** Concept, Decision making under uncertainty Maximax, Maximin, Minimax regret, Hurwicz's & Laplace criterion, Decision making under risk (EMV, EVPI) for items with and without salvage value. Game Theory: Concept, 2 × 2 zero sum game, Pure & Mixed Strategy, solution of games with dominance, average dominance method. Sequencing problem: Introduction, Problems involving n jobs-2 machines, n jobs- 3 machines & n jobs-m machines, Comparison of priority sequencing rules.(6+2)

Important Note:

1. In each unit caselet related to management situation in various functional domains shall be discussed by the subject teacher.
2. Numerical based on functional areas of business are expected on each unit

Aspiring Minds Computer Adaptive Test (AMCAT) Assessment

Date: 2nd May 2023

NOTICE – AMCAT Test

ALL MBA I & MBA II students

Importance of AMCAT Exam:

The **Aspiring Minds Computer Adaptive Test** is conducted to evaluate students in multiple disciplines to check their competence for various jobs. Following are few important aspects-

1. The AMCAT scorecard enhances the credibility of students. It is like an assessment of their skills and abilities.
2. **Up to 700+ companies have made the test compulsory so far.** Thus, this exam shares the trust of some of the topmost MNCs and prominent organisation in India.
3. AMCAT result is the mandatory touchstone for some of the prominent companies in the country. As the result, students can apply under various specialisations and domains such as IT services, Banking, Finance, Automobile, etc.
4. **Around two million students have taken this test since the initiation.** This is backed with up to 1.5 lakhs monthly interview based on one's AMCAT score.
5. Students get a clear picture of their strengths and weakness. This test provides them with a comprehensive feedback report. In this way, potential candidates get a clear picture of their strong points and fallouts. They are thus empowered to choose the right career for themselves.
6. This test shares the unparalleled trust of prominent companies like Accenture, Snapdeal, Axis Bank, Tata Motors, etcetera.

We are proposing the second AMCAT test soon. PRIOR to that it is **MANDATORY** for all students those who have registered and given AMCAT TEST I to submit their test result to me latest by 6th May 2023.

Please take into notice that appearing for all **AMCAT** tests is **MANDATORY** for all students seeking placement from the institute.
