Subject: Purchasing of Library Software as per recommendation by AICTE.

Respected sir,

With reference to above subject cited and with respect to our discussion on 6th October 2018 we need to purchase the Library software for smooth functioning of library.

AutoLib NG is a totally integrated software package encompassing all aspects of library management. This software package covers all areas within the purview of the **AutoLib NG** for efficient Information Management. Software covers all MIS Reports required by AICTE / NAAC committee. Advance features are Copy Catalog, Email and SMS.

The onetime cost of library software is Rs.70,000/- and after installation one year onwards the AMC is 10% of the software cost that is Rs.7000/-. MM'S Architecture college, Deccan Campus and Lohegaon campus both are using this software.

IMERT needs this software urgently in view of the forthcoming committee visits for Permanent affiliation & NAAC. Over and above the procedural aspects of these committees, we need this software for true and sustained quality improvements in library functioning.

This is for your kind approval.
