Session on Career Guidance for Competitive Examination

A guest session on career guidance on preparation for competitive examination was arranged on Friday, 12th May 2023 under the guidance of Dr. Shubhangee Ramaswamy, 1/C Director, IMERT. **Mr. Shashank Surve**, Class 2 officer under Ministry of Home Affairs, the guest speaker of the session guided students on how to approach any kind of competitive examination. He emphasized on the Power of Manifestation, making an action plan, writing down the whole syllabus, giving mock test and practicing weaker areas. The session helped the students form a different attitude towards the examinations. The session ended formally on a positive note with interactive question and answer round between the guest speaker and the students. The program was coordinated by Prof. Chaitrali Kale, DLF Finance, IMERT. Total 19 students attended the session.

A Report on CMIE –ProwessIQ e-Database Training Session

We had arranged training sessions of CMIE- ProwessIQ e-database for MBA students' on 02/05/2023, 03/05/2023 & 12/05/2023 at computer lab of our institute.

Mr. Krantish Patil sir was the trainer from CMIE Company. After initial welcome, Mr. Krantish Patil provided basic information about Prowess IQ e-database to the students. ProwessIQ is the largest and most updated database on firms in India having performance data of above 52,000 Indian listed and non-listed companies.

Mr. Krantish Patil sir guided to the students' about how to get one page profile of the company, addresses, company classifications, company background, ownership & governance report.

Mr. Krantish Patil sir explained and taught how to get various types of reports viz, Interim quarterly performance, interim quarterly financial ratios, balance sheet, interim quarterly statements- SEBI, interim annual performance, interim annual performance ratios, summary report, income and expenditure report etc. from e-database. There was an interaction session after Mr. Krantish Patil sir training about e-database. He made all the students comfortable and students interacted with him by asking their queries pertaining to various reports and applications of e-database. He addressed all the queries satisfactorily and with an enthusiasm.

This training session will be helpful for students to understand Industry analysis and desk research subject effectively.

Report on ITR Filing Workshop

MM's IMERT and MMCOE organised a two-day workshop on Income Tax Return (ITR) Filing for the MBA 2nd year students on 12th and 17th January, 2023. The workshop was co-ordinated by Prof. Chaitrali Kale (IMERT) and Prof. CA Sanu Purandare (MMCOE).

The guest speaker was CS Abhishek V. Vidwans. The session started at 10:30 am and ended by 1 pm on both days.

Day 1

The session started with introduction and felicitation of the guest speaker. The speaker started the session by discussing the basic working, types and terminology of income tax.

After briefly discussing the history of Income Tax, the session moved on to the topic of ITR and E-filing. The evolution, functions, working, advantages and other details regarding ITR as well as E-filing were taught to the students. Students were also introduced with the types of ITR and briefed about E-filing components such as utility software and JSON file.

New tax regime and Old tax regime were particularly discussed. Lastly, the case studies were taken. The speaker ensured that the session was interactive. The case studies helped students understand ITR, tax regime, deductions and other concepts more deeply.

Day 2

On day 2, the session started at 10:30 am in the computer lab. The objective of day 2 was to provide students with practical experience of filing ITR and calculating tax under the guidance of the speaker CS Abhishek Vidwans.

The students had access to a computer system as they were instructed to download the utility software for offline ITR filing. After brief discussion on types of ITR, document and eligibility requirements for the ITR filing was discussed.

Students were guided to the official site for income tax where they got to explore the interface and learn about different options available to taxpayers. Through the offline utility software, students were able to learn more deeply about different sources of income, deductions, allowances and so on in detail. The speaker also spoke about concepts such as updated return and defective return.

Lastly, an assessment test was conducted to examine the knowledge gained by students. The test was followed by a brief segment where the speaker talked about the most likely asked questions regarding ITR filing during an interview.
