Respected Sir,

This is with reference to the application of our faculty Mr. Sandeep Hegade, Asst. Professor, MM's IMERT for institutional sponsorship to pursue a course 'Executive Program in Social Impact Strategy' at **University of Pennsylvania, Philadelphia, USA** placed before 'College Development Committee Meeting' held on 22nd December 2018.

As per the discussion & subsequent decision by Hon. Members therein; the management of MM Group has kindly consented to release sponsorship of Rs. 1 lakh or grant interest free advance for total expenses of Rs 5.42 lakh or combination of these two (i.e. to sponsor Rs. 1 lakh & provide Rs. 4.42 lakh as interest free advance against salary).

I discussed all the above options with Mr. Sandeep Hegade. He has requested to go for the third option i.e. sponsor Rs. 1 lakh & provide Rs. 4.42 lakh as interest free advance against salary. Mr. Sandeep Hegade is thankful for the same & has agreed to sign the undertaking of three years during which an amount of Rs. 4.42 lakh shall be deducted from his salary in equitable proportions.

I strongly recommend considering this.

A Full Day session was Organized by MCCIA on "***Training & Development of Managers using Panchatantra***". The resource person for the same was Mr. Rajesh Kamath, Mr. Rajesh is a Consultant, Facilitator and Coach, where in the objective is to apply principles from Kautilya's Arthshastra (a timeless Management encyclopedia authored in 3 BC) to modern organizations. He is known for combining the best of western and Indian management science to provide Leadership consulting, coaching and learning solutions to the industry – these are a first in the industry.

Objective of the session was-

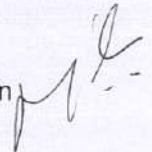

To learn Interpersonal Skills from Panchatantra and training Managers based on it, for making Business more effective

CONTENTS:-

Participants viewed their Training strategy as well as Interpersonal management practices through Vishnusharma's lens, to evaluate, enhance and evolve their own. This gave an opportunity to the participants for building Action plans to implement in their respective organizations. Participants got two Relationship Management Frameworks of Vishnusharma, using which they can hone their own and team members' skills.

Session gave me new insights to learn a lot out of stories. With the help of inputs gained through the session I am in position to design my own session on learning through Stories for MBA students.
