INTERNATIONAL
CONFERENCE **2019**

INTERNATIONAL CONFERENCE ON FINANCE AND APPLIED ECONOMICS

15 – 17 FEBRUARY, 2019

Organized by

Marathwada Mitra Mandal's Institute of
Management Education Research & Training, Pune

In association with

Murdoch University Dubai

**Gokhale Institute of Politics & Economics, Pune &
The Indian Econometric Society, New Delhi**

About MM's IMERT

Marathwada Mitra Mandal with its 50 years of legacy and scintillating glory in the field of education is one of the most respected institutions in Maharashtra. MM's IMERT is the flagship institution of the group established in the year 1994 with a goal of imparting the contemporary quality management education to the students. The institution is affiliated to Savitribai Phule Pune University, Pune and recognized by the AICTE, New Delhi.

About Murdoch University, Dubai

Murdoch University in Dubai is located in the heart of the impressive Dubai International Academic City. Established in 2007, we are branch campus of Murdoch University, one of Australia's leading emerging universities. Our home campus in Perth, Western Australia, has more than 22,000 students and 2,500 staff from across almost 100 different countries, studying in over 200 undergraduate and postgraduate courses or majors, over a comprehensive range of disciplines and professions. Murdoch has earned an international reputation for the quality of its teaching and research over the past 35 years, as it has grown and matured. In 2014, Murdoch stands 68th in the Times Higher Education ranking of the world's top 200 universities under 50 years old, evidence of our commitment to exceptional teaching and learning for students and of our high-quality research.

About Gokhale Institute of Politics & Economics, Pune

Gokhale Institute of Politics & Economics, Pune is one of the oldest research and training institutes in economics in India. It was founded in June 1930 with an endowment offered by the late Rao Bahadur R.R.Kale to the Servants of India Society which was founded by the late Shri Gopal Krishna Gokhale.

The Institute was initially affiliated to the University of Bombay, conducting the M.A. Programme in economics and supervising the work of students working towards research degrees of that University. In 1949, with the establishment of the University of Poona, the Institute became a constituent recognized institute of the new University. Till 1993 the Institute functioned, for all academic purposes, as the Department of Economics of this University. With the decision of the University to establish as separate Department of Economics at its campus, the Institute as a Centre of Advanced Study in economics was granted effective autonomy in 1986 in designing courses, teaching and examination of the M.A. Degree in economics. The Government of India, on their commendation by the University Grants Commission, has awarded a Deemed to be University status to the Institute in 1993.

About TIES, New Delhi

The Indian Econometric Society (TIES) is one of the most highly regarded associations of intellectuals and academicians in India and is known for the high quality research output at both national & international levels. It is one of the oldest and largest bodies of professional econometricians and quantitative economists formed in the year 1960 with more than 2000 members from all over India and abroad. TIES organizes annual conference where experts from all over India and abroad participate and deliberate on various issues.

Introduction

The economic indicators across the globe are not showing any encouraging picture. The current economic & financial era is broadly termed as the phase of transition.

The role of finance also is observed to be rapidly changing with these economic changes. This conference is an attempt to provide the platform to discuss and share the issues, ideas & policies that would provide the possible solutions and discourse.

Objective

The primary objective of the conference is to create a diaspora of thinkers in finance and economic affairs. And, also to provide an opportunity to the budding researchers to present and publish their work.

Workshop on Financial Cyber Security

Marathwada Mitra Mandal's Institute of Management Education Research & Training, Pune and Padmashree Vikhe Patil Chair for Cooperation and Rural Development, Department of Commerce, Savitribai Phule Pune University jointly organized a workshop on Financial Cyber Security on 5th October 2018. More than 50 students from various colleges across Pune city including IMERT and MMCOE MBA were the beneficiaries.

Today the world is becoming digital. Digital revolution is happening rigorously, particularly in the developing countries. The digitization is entering into every corner of our life. Now this revolution is unstoppable. New generations are becoming dependent on data usage; rather, it is becoming addict to it. When internet is making our lives easier, it brings some challenges in front of us. Information security is one of them. Techno savvy young generation uses data the most. But while using the data and browsing the internet, unknowingly they may commit some mistakes. Such mistakes may be termed as crime as per the law.

To make this young generation aware about such cyber crimes, MM's IMERT, Padmashree Vikhe Patil Chair for Cooperation and Rural Development, Department of Commerce, Savitribai Phule Pune University jointly organized a workshop on Financial Cyber Security. The resource person was Mr. Ajay Nikumb, CEO, Shashwat Solutions, Pune. Mr. Nikumb is a well-known personality in the field of Ethical hacking and Cyber security. He is a consultant to many banks for security of their data. Due to digitization, lot of data of the customers is created and saved. If this data is hacked from these servers, banks and or their customers may lose money. Prevention of cyber attacks or robberies are becoming a real challenge for banks. Mr. Nikumb made the audience aware about how to keep our data secured. What are the safety measures to be taken while making online transactions; even how to protect our emails. The details of such

transactions were shared by him with the audience. He also unfolded some mysteries of the hacking as well. At the end of the programme, there were lot of queries from the audience which were aptly answered by Mr. Ajay Nikumb.

The programme was inaugurated at the auspicious hands of Prin. Dr. B. G. Jadhav, Executive President, Marathwada Mitra Mandal, Pune. The programme was also graced by the august presence of Dr. M. M. Tapkir, Chair Professor, Padmashree Vikhe Patil Chair for Cooperation and Rural Development, Department of Commerce, Savitribai Phule Pune University. Introductory remarks were given by Dr. Shriram Nerlekar Director, IMERT. Dr. Rupendra Gaikwad was the Programme Convenor.
