## UNNAT BHARAT ABHIYAN - UBA (12, 29 July 2022)

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate

solutions for accelerating sustainable growth. The conceptualization of Unnat Bhārat Abhiyān started with the initiative of a group of dedicated faculty members of IIT Delhi working for long in the area of rural development and appropriate technology. The concept was nurtured through wide consultation with the representatives of a number of technical institutions, RuTAG coordinators, voluntary organizations and Govt. agencies actively involved in rural

development work, during a National workshop held at IIT Delhi in September, 2014. The program was formally launched by MHRD in October, 2014.

MM's IMERT is one of the participating institutions (PIs) is expected to establish a UBA Cell which will be responsible for carrying out the activities of the UBA. This will involve the development of an active working group consisting of motivated faculty members drawn from various disciplines. The main responsibility of a UBA cell will be primarily to develop linkage with selective rural clusters, involve in the planning process and to promote the requisite S&T interventions to improvise and expedite the developmental efforts in those clusters.

MM's IMERT has adopted five villages under UBA project. Following are the adopted villages - Dingrajwadi, Thakursai, Tikona, Wajewadi, Kasari.

Further in the session, he introduced farmers with functions of NeML (krishi vedh) and concept of e-auction. He used examples of commodities such as ajwain, soyabean and so on to expand on the concept. He also briefly touched the topic of gold and explained the role of Multi Commodity Exchange of India Limited (MCX).

By the end of the session, Mr. Shrikant Kuwalekar presented the system on basis of which commodity market works through diagrams. He explained farmers the ways they can involve themselves as a producer as well as a trader. He briefly explained the process through which the farmers can get involved and start their journey in commodity markets.

The session ended with a Q&A round where Mr. Shrikant Kuwalekar answered several interesting and constructive questions from the audience.

The concluding remarks were given by Dr. Mangalgouri Patil. She briefed the audience about Marathwada Mitra Mandal's IMERT and the awareness program. She talked about SEBI's objective behind conducting such initiative. Dr. Patil explained the importance of investment in different avenues such as gold and commodity market. She encouraged the farmers to start with small but consistent steps towards learning and understanding commodity market and other investment avenues. She ended her remarks by assuring that more informative sessions like these will be conducted by Marathwada Mitra Mandal's IMERT.

The vote of thanks was given by Ms. Chaitrali Kale. She emphasized on the need of such awareness program for farmers. She concluded her vote of thanks by expressing her gratefulness towards all the organizers, speaker, school staff, participants and volunteers.

Ms Gauri Patil and Mr. Rutuvad Joshi (Student,IMERT) along with Dr. Mangalgouri S Patil(Assistant Professor) and Ms. Chaitrali Kale coordinated for the program.

## **.NELDA (Visit to Hanuman Tekdi 11 Jun 2023)**

Nelda is an Irish word that means ‘champion’. People working for the environment are champions. Nelda's vision is to help people plant and grow a billion trees in India by 2041. On 26th June, 2016, first ever event of Project Nelda, planted over 200 trees with the help of 25+ volunteers at Hanuman Tekdi, Pune.

Nelda’s first collaboration was with the IMERT, Pune, where the students volunteered for carrying out Nelda activities. On 11th June 2023 a group of 6 students with one faculty member visited Hanumaan Tekdi for the conservation of plants by watering them through tanks on the hill. Pune corporation pumps water in tanks built on Tekdi, volunteers during summer season need to take care of new planted small sapling because of extreme heat. Water is provided through buckets from the tanks by volunteers, human chain is formed to reach every corner of the hill and take care of every plant. Students through this activity come close to the environment and realize the importance of trees and efforts needed to grow the trees. Working together in team, planning, coordination and resource management are take away learning for the students.

Founder Director Mr. Vedarth Deshpande addressed the students and shared the mission of Nelda. Nelda believes that if more and more youngsters are involved in social work, then not only can the work be done more efficiently, but eventually it will also result into sustainable growth. Hence, at Nelda, focus is to try to inspire the young generation to work for the environment, Nelda generally plants trees like Karanj, Kanchan, Neem, Tamrind, Banyan and few others which are native to the Deccan Platter i.e. the geography of Pune. This will help regain the ecological

balance. These native trees help to fight climate change and help in conserving wild habitat and water as they adjust to the local environment..
